**Pol. Ind. Malpica - Alfidén, C/H, Nave 45 - 50171 La Puebla de Alfidén,
Zaragoza (Spain)**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993 it has been stated that the construction product

Plastic parallel flue pipe system

T120- H1-O-W-1-O10-I-F-L System with elastomeric seal

T120-H1-O-W-1-O10-I-F-L0 System with elastomeric seal

Plastic concentric flue pipe system

T120- P1-O-W-1-O00-I-F-L1 System with elastomeric seal

Is submitted by the manufacturer to the initial type testing of the product and a factory production control and that the approved body – Gastec Certification B.V. – has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard EN 14471:2005 were applied.

This certificate was first issued on 04-11-2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
